INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Friends of Flight 93 National Memorial
P.O. Box 911
Shanksville, Pennsylvania 15560

Opinion

We have audited the financial statements of Friends of Flight 93 National Memorial, which comprise the statements of financial position as of September 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Friends of Flight 93 National Memorial as of September 30, 2024 and 2023, and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Friends of Flight 93 National Memorial and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Friends of Flight 93 National Memorial's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Friends of Flight 93 National Memorial's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Friends of Flight 93 National Memorial's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

FRIENDS OF FLIGHT 93 NATIONAL MEMORIAL
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2024 AND 2023

NOTE 1 ORGANIZATION AND NATURE OF OPERATIONS

The Friends of Flight 93 National Memorial (Friends of Flight 93) is a nonprofit organization engaged in collecting funds through donations, contributions, and merchandise sales in order to fund the Flight 93 National Memorial in Shanksville, Pennsylvania.

As Friends, we welcome worldwide all who would join us in honoring the sacrifice and courage of the passengers and crew of Flight 93 by supporting the mission of the Flight 93 National Memorial with volunteers, resources and civic engagement so as to inspire all who visit with the Flight 93 story.

Friends of Flight 93 National Memorial is a vital partner with the National Park service as stewards of the final resting place of the heroes of Flight 93 and the surrounding lands. We champion the highest standards of resource management and a visitor experience which is both powerful and positive. Through the work of the Friends, Flight 93 National Memorial will remain accessible, relevant and inspirational to present and future generations.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies are the principles of accounting and the methods of applying those principles which are utilized in preparing the financial statements. The accounting policies adopted can significantly affect the reported results of the operations. To facilitate an understanding of the information presented in the financial statements, the significant accounting policies followed in the presentation of the accompanying financial statements are summarized as follows:

Basis of Accounting

The financial statements are presented on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

Financial Statement Presentation

The accompanying financial statements of the Friends of Flight 93 National Memorial have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions – net assets that are not subject to donor imposed restrictions and are available for use in the Friends of Flight 93 National Memorial's ongoing operations, including funds designated by the Board of Directors. This category replaced the previous category of unrestricted net assets.

Net assets with donor restrictions – net assets subject to donor-imposed restrictions that either expire by passage of time, can be fulfilled and removed by action of the Organization pursuant to those restrictions, and/or upon receipt of funding or passage of date upon which funds were due. This category also includes net assets subject to donor-imposed restrictions that the principal be maintained permanently by the Friends of Flight 93 National Memorial and generally allow the use of investment earnings. This net asset category combined the previous categories of temporarily restricted net assets and permanently restricted net assets.

Contributions

Contributions received are recorded as increases in net assets with donor restrictions or net assets without donor restrictions, depending on the existence or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions reported in the Statement of Activities as net assets released from restrictions.

Friends of Flight 93 National Memorial has received contributions of artifacts of historical significance that are held in safe keeping for educational and public display. In conformity with accounting standards these artifacts are not capitalized and revenues are not recognized when received.

Income Taxes

Friends of Flight 93 National Memorial is a non-profit organization exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code.

Friends of Flight 93 National Memorial follows FASB ASC 740-10 Topic Accounting for Uncertainty in Income Taxes. The FASB ASC required Friends of Flight 93 National Memorial to evaluate tax positions taken and determine whether it is more-likely-than-not that the tax position will be sustained upon examination based on the technical merits of the position. Friends of Flight 93 National Memorial records tax penalties and interest as they occur. For the years ended September 30, 2024 and 2023, Friends of Flight 93 National Memorial incurred no tax penalty or interest costs. With certain exceptions, the federal income tax returns of Friends of Flight 93 National Memorial for 2021, 2022, and 2023 are subject to examination by the IRS, generally for three years after they were filed.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, Friends of Flight 93 National Memorial considers all highly liquid debt instruments purchased with an initial maturity of three (3) months or less to be cash equivalents. There were no instruments considered to be cash equivalents at September 30, 2024 and 2023.

Allowance for Doubtful Receivables

For fiscal year 2024, the Company adopted ASC 326, Measurement of Credit Losses on Financial Instruments. As prescribed by the new standard, management based the Organization's allowance for doubtful receivables using an expected loss methodology in place of the previous incurred loss methodology. Management periodically reviews the assumptions and factors surrounding the valuation and collectability of receivables.

Leases

The Company elected Financial Accounting Standards Board ("FASB") "Leases (ASC Topic 842)". Under the guidance of ASC 842, the Company at the inception of the agreement assesses if an arrangement includes a lease. Right-of-use asset and liability leases are determined at the lease commencement date and is based on the present value of estimated lease payment. For leases that contained both fixed and variable lease payments and/or fixed and variable rate or index, the Company includes the fixed and variable lease payment and rates in the determination of the right-of-use asset and liability. Variable lease payments that are not based on a rate or index are expensed when incurred. The present value of estimated lease payments is determined utilizing the rate implicit in the lease agreement, if that rate can be determined. If the implicit rate cannot be determined, the present value of the estimated lease payments is determined utilizing the Company's incremental borrowing rate. The incremental borrowing rate is determined at the lease commencement date and is developed utilizing a readily available market interest rate. For leases that include renew options to extend the lease term, the Company will include the extended term of the lease if it is reasonably certain that the lease will renew. The Company under ASC 842, elected not to recognize leases with terms or 12 months or less (short-term) on the balance sheet for any lease class. For short-term not recorded on the balance sheet, the lease payments are recognized in the income statement over a straight-line basis over the term of the lease.

Expense Allocation

The costs of providing the Friends of Flight 93's programs and other activities is summarized on a functional basis in the statements of activities and statements of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited and are allocated based on the department applicability within each function. Management and general expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Friends of Flight 93. Fundraising costs are expenses as incurred, even though they may result in contributions received in future years.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Accounting Pronouncements Adopted

On July 1, 2023, the Organization adopted ASU 2016-13 Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The measurement of expected credit losses under the CECL methodology is applicable to financial assets measured at amortized cost, including loan receivables and held-to-maturity debt securities. It also applies to off-balance sheet credit exposures not accounted for as insurance (loan commitments, standby letters of credit, financial guarantees, and other similar instruments) and net investments in leases recognized by a lessor in accordance with Topic 842 on leases. In addition, ASC 326 made changes to the accounting for available-for-sale debt securities. One such change is to require credit losses to be presented as an allowance rather than as a write-down on available-for-sale debt securities management does not intend to sell or believes that is more likely than not they will be required to sell.

The Organization adopted ASC 326 using the modified retrospective method for all financial assets measured at amortized cost and off-balance sheet credit exposures. Results for reporting periods beginning after July 1, 2023, are presented under ASC 326 while prior period amounts continue to be reported in accordance with previously applicable GAAP. The adoption did not have an impact on these financial statements.

NOTE 3 CONCENTRATIONS OF CREDIT RISK OF FINANCIAL INSTRUMENTS

Demand deposits in banks are financial instruments of the depositor. The depositor has the contracted right to receive this currency on demand. Friends of Flight 93 National Memorial has cash deposits in multiple financial institutions. Friends of Flight 93 had uninsured deposits of \$1,660,166 and \$1,119,353 as of September 30, 2024 and 2023, respectively.

NOTE 4 INVESTMENTS AND FAIR VALUE

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value with generally accepted accounting principles (GAAP) and expands disclosures about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

ASC 820 does not require any new fair value measurements under GAAP and does not expand the application of fair value accounting to any new circumstances. ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

As required by ASC 820, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Friends of Flight 93's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect their placement within the fair value hierarchy levels.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 – Quoted prices in active markets for identical assets or liabilities.
- Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in active markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following table sets forth by level within the fair value hierarchy the Organization's financial assets and liabilities that were accounted for at fair value on a recurring basis. As required by ASC 820, financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurements. The organization's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

Fair Value Measurements consist of the following as of September 30, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets:				
Schwab investment accounts:				
Cash and money market	\$ 140,438	\$ ---	\$ ---	\$ 140,438
Exchange traded funds	<u>2,007,488</u>	<u>---</u>	<u>---</u>	<u>2,007,488</u>
Total	<u>\$ 2,147,926</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 2,147,926</u>

Fair Value Measurements consist of the following as of September 30, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets:				
Investment Pool at the National Park Foundation	\$ ---	\$ 253,605	\$ ---	\$ 253,605
Total	<u>\$ ---</u>	<u>\$ 253,605</u>	<u>\$ ---</u>	<u>\$ 253,605</u>

The Friends of Flight 93's investments valued at net asset value were as follows as of September 30, 2024:

	<u>Fair Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Schwab investments accounts	<u>\$ 2,147,926</u>	Daily	None

The Friends of Flight 93's investments valued at net asset value were as follows as of September 30, 2023:

	Fair Value	Redemption Frequency	Redemption Notice Period
Funds held in the Investment Pool at the National Park Foundation	<u>\$ 253,605</u>	Daily	None

The Friends of Flight 93, in order to reflect its investment at fair market value, recorded an unrealized gains of \$135,251 and \$-0- for the years ending September 30, 2024 and 2023, respectively.

NOTE 5 CONTRIBUTED SERVICES

Contributed services are recognized if the services received (a) create or enhance long-lived assets, or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Friends of Flight 93 National Memorial receives a significant amount of contributed time that does not meet the two recognition criteria above. Accordingly, the value of this contributed time has not been determined and is not reflected in the accompanying financial statements.

NOTE 6 COMMITMENTS AND CONTINGENCIES

Grant Programs

Friends of Flight 93 National Memorial participates in various grant programs. These programs are subject to program compliance audits by the grantors or their representatives. Friends of Flight 93 National Memorial is potentially liable for any expenditure which may be disallowed pursuant to the terms of these grant programs. In the opinion of management, liabilities resulting from disallowed expenditures, if any, would not be material to the accompanying financial statements at September 30, 2024 and 2023.

Litigation

Friends of Flight 93 National Memorial is subject to certain legal proceedings and claims that arise in the ordinary course of business. In the opinion of management, the amount of any ultimate liability with respect to these actions will not materially affect the Friends of Flight 93 National Memorial's financial statements as a result of operations.

NOTE 7 LINE OF CREDIT

Friends of Flight 93 National Memorial obtained a line of credit in the amount of \$45,000 in July 2015 and was closed in December 2023.

NOTE 8 LIQUIDITY AND AVAILABILITY OF RESOURCES

Friends of Flight 93 National Memorial's financial assets available within one year of the Statement of Financial Position date for general expenditures are as follows as of September 30, 2024:

Cash and cash equivalents	\$ 2,370,806
Investments	<u>2,147,926</u>
Total financial assets available within one year	4,518,732
Less:	
Funds with donor imposed restrictions	(2,440,701)
Amounts unavailable to management without Board approval	<u>(1,657,319)</u>
Total financial assets available within one year	<u>\$ 420,712</u>

As part of the Friends of Flight 93 National Memorial's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, future planned program funding allocations and other obligations come due.

NOTE 9 NET ASSETS WITH DONOR RESTRICTIONS

The following summarizes the net assets with donor restrictions for the years ending September 30, 2024 and 2023.

	2024	2023
Tower of Voices wind chimes	\$ ---	\$ 30,352
Education Scholarship	---	32,558
NPF Restricted Funds	2,086,312	3,937
Equipment and payroll	5,304	5,304
Families Ambassador's	10,975	10,855
Families – SG, TOV, WON	173,856	173,763
Resiliency Project	164,254	---
Public Awareness	---	84,552
Education Specialist	---	132,356
Total net assets with donor restrictions	<u>\$ 2,440,701</u>	<u>\$ 473,677</u>

NOTE 10 NET ASSETS WITHOUT DONOR RESTRICTIONS

The following summarizes the net assets without donor restrictions for the years ending September 30, 2024 and 2023.

	2024	2023
Board designated for various programs	\$ 1,657,319	\$ 1,439,890
Undesignated	<u>380,099</u>	<u>113,013</u>
Total net assets without donor restrictions	<u>\$ 2,037,418</u>	<u>\$ 1,552,903</u>

NOTE 11 SUBSEQUENT EVENTS

Subsequent events were considered through September 21, 2025, the date the financial statements were available to be issued. Other than noted below, the Organization is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
