The Friends of Flight 93 National Memorial to Host Pollinator Party Event as Part of Remake Learning Days Across America, the Nation’s Biggest Family-Friendly Festival of Learning

Interactive party will take place on May 13 & 14, between 10:00AM to 4:00PM, designed for children of all ages to help develop their sense of creativity, perseverance, and curiosity.

Flight 93 National Memorial, 5/1/2022 – As children and families look for ways to reconnect with their communities and tap into meaningful in-person activities, Remake Learning Days Across America (RLDAA) returns this spring to South Central, PA and 16 other regions across the country, with events designed to inspire active learning. **#RemakeDaysSCPA**

The Friends will host the Pollinator Party on **May 13 & 14, 2022.**

- To learn more about the Pollinator Party & to register, visit flight93friends.org/events/.
- UNABLE to JOIN US those days? Visit flight93friends.org/wildflower-seeds.

This event is designed for parents and caregivers to learn alongside their children and offer relevant and engaging educational experiences for youth of all ages (pre-K through high school). The Pollinator Party is free admission!

At a time when parents, educators and caregivers are making summer plans to fill gaps in children’s academic and social experiences, the national festival of about 1,000 events celebrating learning innovation taps into the dynamic programming of a variety of partner organizations – from local schools, museums, libraries, community hubs, tech startups and more.

“The Friends of Flight 93 National Memorial are excited to share this incredibly rich theme experience with the communities we serve. Remake Learning Days is a wonderful example of how we can connect as one big, diverse, community of learners.” said Danielle D. Miller, Education Coordinator, The Friends of Flight 93 National Memorial.
