Architecture & Landscape Architecture

Requirements:

- 1.a. Tour your community and list the different types of buildings you see. Try to identify buildings that can be associated with a specific period of history or style of architecture. Make a sketch of the building you most admire.
2. In the Outdoor Code, a Scout pledges to “be conservation-minded.” Discuss the following with your counselor:
 - a. The term *sustainable architecture*. Identify three features of typical green buildings.
 - b. The difference between renewable building materials and recycled building materials, and how each can be used in construction.
 - c. The relationship of architecture with its surrounding environment and the community.
4. Measure a room such as one where you live or where your troop meets. Make an accurately scaled drawing of the room’s floor plan showing walls, doors, closets, windows, and any built-in furniture or cabinets. Neatly label your drawing with the following: your name, the date, what room you drew, and the scale of the drawing. (Drawing scale: $\frac{1}{4}$ inch = 1 foot)
